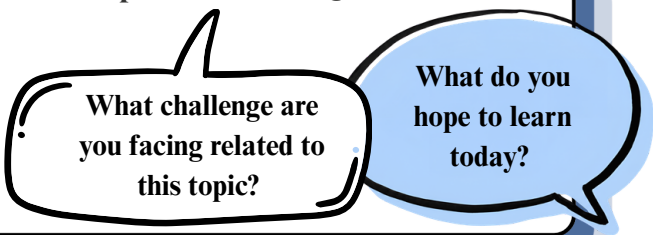
AE Webinar: Watch Party Guide

1. Prepare

Before the event:

- Watch the webinar in advance
- Choose 2-3 moments to pause for discussion
- Prepare discussion questions

Example Icebreaker Questions:



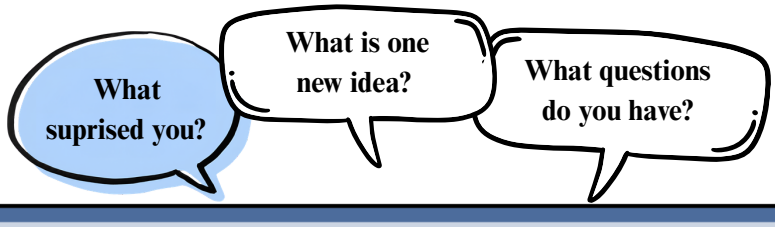
2. Watch

As participants watch, they can:

- Take Notes
- Write down questions or new words
- Identify Key Ideas
- Look for strategies they can use

3. Pause & Discuss

Pause 3-4 times during the webinar. Discuss:



4. Make it Relevant

Encourage partipcants to connect ideas to their own classrooms, programs, or learning environments.

What challenges could arise in your context?
How could you adapt this idea locally?
Which learners would benefit most?
What additional support would you need?

5. Apply the learning

End with an action plan:

One colleague I'll share this with is...

Activity: work in groups to create a lesson

Questions for any webinar:

What was your biggest takeaway?
What challenged your thinking?
Which idea could you implement immediately?
What would success look like if you used this strategy?
What questions do you still have?
