

 Before class:

- Print enough lyrics scramble sheets for one out of every three students.
- Cut the song lyrics on the dotted line.
- Mix up the order of the lyrics, taking care to keep lyrics from each sheet separate.

1. Put students into small groups and give each group of students the cut-out lyrics.
2. Ask them to put the song lyrics in order.
3. Ask groups to check their answers with another group, and then listen to the song again to check the answers as a class.

★ You can play this song several times depending on the level and ability of your students.

It's like a blade of grass dancing in the wind
It's like a rainbow lasting 'til 10 pm

It's like a kiss blown by the sun
It's like a cool drink of water on your tongue

It's like a blade of grass dancing in the wind

I've got a feeling of joy inside of me
It's way down deep and when
It starts moving around

There's such a power, a shift, a lift I feel
You cannot steal because it's mine
It was given to me

Influential, unconditional, follows me wherever I go

It's like a blade of grass dancing in the wind
It's like a rainbow lasting 'til 10 pm

It's like a kiss blown by the sun
It's like a cool drink of water on your tongue

It's like a blade of grass dancing in the wind

There's so much shame
And pain, darkness, doom and gloom

You would assume that we would be forever broken and down

But there is an energy inside and we can be forever free and never bound by
the conditions of doubt

It's powerful, essential, if you know, then you know

It's like a blade of grass dancing in the wind
It's like a rainbow lasting 'til 10 pm

It's like a kiss blown by the sun
It's like a cool drink of water on your tongue

It's like a blade of grass dancing in the wind
